EDUCATION

Virginia Polytechnic Institute and State University College of Natural Resources and Environment PhD Candidate, Forest Resources and Environmental Conservation- Human Dimensions <i>Collaborative Community Leadership Certificate</i> <i>Graduate Research and Teaching Assistant</i>	2012 – June 2016 Blacksburg, VA
State University of New York College of Environmental Science and Forestry Master of Science, Forest and Natural Resource Management <i>Concentration in Forest Ecosystem Science and Applications</i>	2002 – 2004 Syracuse, NY
University of North Carolina at Asheville Bachelor of Science, Environmental Science <i>Minor in Studio Art- Photography</i>	1997 - 2001 Asheville, NC

TEACHING EXPERIENCE

Virginia Polytechnic Institute and State University Agroforestry and Whole Farm Planning- Co-Taught Fall 2014, Teaching Assistant Fall 2013 Advanced Agroforestry - Designed and Co-Taught Spring 2014 Nature and American Values - Teaching Assistant Spring 2013
--

PROFESSIONAL EXPERIENCE

Peace Corps Campus Recruiter Virginia Tech	August 2015 – Present Blacksburg, VA
Graduate Teaching Assistant & PhD Candidate Virginia Tech	July 2012 - Present Blacksburg, VA
Trees for the Future Training Program Coordinator, Latin America Coordinator	Jan 2010 – Jul 2014 Silver Spring, MD
Protected Areas Management Program United States Peace Corps	Jun 2006 - Nov 2009 Honduras, Central America
Co-Principal Investigator Tropical Forestry Initiative (TFI)	Mar - May 2006, Jun - Jul 2005 South Pacific Costa Rica
Biological Science Technician (Emergency Hire GS5) United States National Park Service	Jan - Mar 2006 Maui, HI
Research Aide The State University of New York Research Foundation	Dec 2003 - Aug 2005 Syracuse, NY
Environmental Research Administrative Assistant Syracuse Research Corporation	Aug 2002 - May 2003 Syracuse, NY

CONFERENCE PRESENTATIONS

Bukowski, C. & Munsell, J.F. (2015, August). Community Food Forests in the United States: Social Design and Management Processes. Presentation at Livable Communities through Urban Forestry, biennial Casey Trees conference, Washington, D.C.

Bukowski, C.; Munsell, J.F. & Chamberlain, J.L. (2015, June). Virtual network to real world opportunities: an overview of the eXtension forest farming community of practice. Presentation at the 15th North American Agroforestry Conference, Iowa City, Iowa.

Bukowski, C. & Munsell, J.F. (2015, June). Taking stock of community food forests in the United States. Presentation at the 15th North American Agroforestry Conference, Iowa City, Iowa.

Bukowski, C. & Munsell, J.F. (2015, June). Community Food Forests in the United States: A Study of Design and Management Processes & Principles. Presentation at the joint annual conference of the Agriculture, Food & Human Values Society and Association for the Study of Food and Society, Chatham University, Pittsburgh, PA.

Bukowski, C. & Munsell, J.F. (2015, March). Community food forests in the United States: Design Principles and Management Processes. Poster presented at Harvard Just Food Conference, Cambridge, Massachusetts.

Bukowski, C.; Munsel, J.F. & Chamberlain, J.L. (2014, October). Community food forests in the United States: what environmental and social benefits do they provide? Who is using them and why? Poster presented at the XXIV International Union of Forest Research Organizations World Congress, Salt Lake City, Utah.

Bukowski, C.; Munsell, J.F.; Chamberlain, J.L. & Jacobson, M.G. (2013, June). Lessons from the management and membership of a virtual forest farming network. Presentation at the 13th North American Agroforestry Conference, Charlottetown, Prince Edward Island, Canada.

Bukowski, C.; Munsell, J.F.; Chamberlain, J.L. & Jacobson, M.G. (2012, October). Proceedings from Society of American Foresters 2012 National Convention: *Using virtual networks to support forest farming*. Spokane, WA.

Munsell, J.F., J.L. Chamberlain, C.J. Bukowski, M.D. Brinckman, T. Hammett, and S. Prisley. (2012, August). Non-timber forest products output information systems in Appalachia. in: Conference Proceedings of the 4th International Conference on Medicinal Plants and Herbal Products. Sudarsanam, G. and K. K. Banaudha (editors). Johns Hopkins University, Rockville, MD. 45p.

PUBLICATIONS

Bukowski, C. (2016). [Why Plant a Community Food Forest?](#) *Inside Agroforestry*, Vol, 24 Issue 2, USDA National Agroforestry Center.

Bukowski, C. (2016, January). [Growing Edible Forests as a Community](#). *Small Farms Quarterly*, Winter 2016, Cornell Small Farms Program.

Bukowski, C. (2015). [Forest Farming](#). *Inside Agroforestry*, Vol 23, Issue 3. USDA National Agroforestry Center.

Bukowski, C. & Munsell, J.F. (Winter 2013). Opportunities for farming edible forest crops. *Virginia Forests*, Vol LXIX, Number 1, 8.

Bukowski, C. (2004). *Using the Ecological Functional Assessment (EFA) Approach to Access Native Mixed Species Plantations on Abandoned Pasturelands in the Wet Tropical Life Zone*. State University of New York College of Environmental Science and Forestry, Syracuse, NY.

INVITED TALKS

Bukowski, C. (2015, March). [Scaled-up permaculture: food forests for communities](#). Presentation at Permaculture Voices, San Diego, CA.

PROFESSIONAL AFFILIATIONS

Sustainable Agriculture Education Association

Agricultural, Food & Human Values Society

Association for Temperate Agroforestry

Board Member

Society of American Foresters

Agroforestry Working Group

Northeast and Mid-Atlantic Agroforestry Working Group
